How to convert YouTube video to MP3 using Free YouTube to MP3 Converter."The aim of this study was to consider how the political context influenced how mathematics was taught in schools. This was done by analyzing a study in New Zealand which compared how mathematics was taught in schools in rural versus urban areas, and how it was taught in schools with trained versus untrained teachers." Short Answer: Topic: Analyzing a study in New Zealand which compared how mathematics was taught in schools in rural versus urban areas, and how it was taught in schools with trained versus untrained teachers. How to answer: First, briefly describe the situation in New Zealand with regard to rural and urban education and teacher training in New Zealand. Is there a good fit between what is stated in the question and the information provided in the question? Focus on the information which contrasts these two situations. It does not have to be a direct comparison. "To review what it means to have a 'teacher's role' in New Zealand, one must first look at
